

National Trust Derbyshire Savings Account

Save for your future
and safeguard the past

If you value your local heritage then we could have just the savings account for you

At The Derbyshire, we're committed to supporting our customers, their communities, and our wonderful Derbyshire countryside and architecture. That's why we've teamed up with The National Trust to offer you a very special way to both save for your future and help them protect the past.

The National Trust cares for four historic houses in Derbyshire as well as some of the most iconic sites in the Peak District, from Kinder Scout to Dovedale National Nature Reserve. As a registered charity, it relies heavily on other sources of income to help continue to protect the area's heritage and places of beauty.

Here's how it works

For every £100 you save, we will donate £1 to the National Trust if you keep that £100 in the account continually for one year. It may not seem much, but the money soon adds up. And the more you save, the more you'll help to preserve the beauty and history of Derbyshire.

Helping your local heritage has never been so rewarding

As well as the donations made to The National Trust, you can enjoy a number of exclusive benefits too.

- All customers opening an account before 30 September 2010 will automatically be entered in to a prize draw to win lifetime membership of the National Trust.
- If you open an account with £500 or more, you will receive a £15 voucher for use at any tea room or gift shop at your choice of the following National Trust properties; Kedleston Hall, Hardwick Hall, Sudbury Hall, Calke Abbey, Ilam Park and The Longshaw Estate.
- If you open an account with £10,000 or more and maintain a balance of at least £10,000 for the next 12 months, not only will you receive the above but you'll also qualify for a truly memorable behind the scenes tour courtesy of the National Trust.
